

COVID-19 UPDATE

March 17, 2020

In the interest of public safety, and the safety of our employees, Fuchs Sanitation is making the following changes to garbage pickup until further notice.

1. Effective immediately we will not be picking up any loose garbage. All garbage must be contained in a garbage can, tote, or trash bags that are tied. We are highly encouraging residents to bag their trash before placing it in their can, or tote.
2. We will not be picking up any large fabric items (couches, chairs, mattresses, box springs, etc.) unless we are able to use the appropriate equipment to safely pick these items up.

Spring Cleanup Updates

1. Loose garbage will NOT be picked up. All items need to be bagged and tied. This new rule will be effective in all future spring cleanups.
2. Large items that do not contain fabric, can still be put out. These items would not need to be bagged.
3. Large fabric items will be collected separately with the use of equipment. We are still working out the details of this collection.
